

# Need a partner to help get your ASC back on top?

We partner with physicians just like you to turn around struggling ambulatory surgery centers. No two partnerships are the same, so we offer a flexible ownership structure and a ground-up approach to tailor each partnership. This proven approach, coupled with our experience and expertise, enables our partners to succeed.

## *Meridian works closely with our physician partners to:*

- Deploy capital and eliminate debt
- Focus on physician recruitment to increase case volume and revenue
- Implement an aggressive operations plan to return business to a profitable state

**Are you ready to get back on top?**
